

REPUBLIC OF SOUTH SUDAN MINISTRY OF ENVIRONMENT & FORESTRY

Office of The Undersecretary of Environment

26/5/2023

Undersecretary
Ministry of Labour
Republic of South Sudan, Juba

Subject: NO OBJECTION LETTER

Reference is hereby made to your letter dated 19/5/2023 requesting the Ministry of Environment and Forestry, RSS, Juba for issuance of the above-mentioned Subject.

Based on the review of the ESIA study report, the Ministry has granted a “NO OBJECTION” letter to the Ministry of Labour, authorizing it to undertake construction of a hostel, a perimeter wall and equipping the technical laboratory and construction of a modern building for offices, lecture halls and a laboratory at both MTC and the University of Juba, subject to the following conditions to ensure environmentally friendly operations:

1. The project proponent shall ensure compliance with the environmental and social management plan (ESMP) and implementation of the mitigation measures prescribed in it during the project cycle.
2. The project proponent shall ensure adherence to occupational health and safety requirements for the workforce during the construction phase.
3. The project proponent shall submit an environmental performance report on progress of implementation of the mitigation measures on ground.
4. The contractors to be engaged in the implementation process shall comply with the requirements pertaining to such operations within the jurisdiction of other relevant authorities.
